

History of George Camps

The summer of 2002 is when "George Camps" began. The camp grew out of the outrageous sessions George used to have with students at Palmetto Bay Academy (now known as Christ Fellowship Academy) during Spiritual Emphasis Weeks.

After the second year of speaking at PBA (CF), George hosted the first George Camp and the rest is history in the making.

George Camps are all about crazy, messy, wild and fun times but also about singing, praising and learning about Jesus.

During George Camps, children from 3rd grade through 6th grade learn Bible verses, have meaningful lessons, and develop life-long memories that change and shape their lives forever!

UNIVERSE: ALL-STARS

This year's theme for George Camp is UNIVERSE ALL-STARS. Our goal for camp is to help children know how they can be lights for Jesus. As we dive into this year's camp, we will explore the truth about being God's Light and allowing His Light to shine through us! From the way we talk to each other to the way we serve one another, we can all be stars for Jesus! Join us for a week you won't forget and Be A Star in the Universe!

15 Then you will be innocent and without any wrong. You will be God's children without fault. But you are living with crooked and mean people all around you, among whom you shine like stars in the dark world. Philippians 2:15
